Dear Mr Hamilton

Thank you for your letters of 22 September and 18 October 2023 about the Toowoomba Sports Ground (Clive Berghofer Stadium) and the Project Validation Report (PVR).

The Palaszczuk Government is committed to deliver world-class frontline services in key areas such as health, education, transport and community safety, and drive investment in the infrastructure that supports the State's economy and jobs, builds resilience and underpins future prosperity.

The Brisbane 2032 Olympic and Paralympic Games (Brisbane 2032) brings with it an opportunity to accelerate the development of our entire State with the Brisbane 2032 Master Plan focused on lasting benefits for our community. All new and upgraded venues were pre-planned to meet the needs of our growing regions and brought forward to be built in time for the 2032 Olympic and Paralympic Games and provide a lasting legacy for Queenslanders.

The purpose of the Toowoomba Sports Ground PVR is to provide advice to decision makers, including the Queensland and Australian governments that the venue is cost effective and fit for purpose. It includes stakeholder engagement, service need, design optioneering and refinement, operating models, analysis and evaluation of project specific benefits, costs and risks, including social impacts.

If you require any further information regarding this matter, please contact

Yours sincerely

STEVEN MILES MP
DEPUTY PREMIER
Minister for State Development, Infrastructure,
Local Government and Planning
Minister Assisting the Premier on
Olympic and Paralympic Games Infrastructure
